Beloved Children of God:

I LOVE YOU! In the final analysis, LOVE ALONE will assist you to regain your perfect Identity. For the sake of Love, We remain with you to LOVE YOU FREE. My Beloved Son, Hilarion, chose to give the description of the activities on the anniversary of the Transmission Flame Class celebrated at the famous Temple of Truth at Crete. I present herewith His words which are, of course, His Life (His Love) given to you to help set you free.

Love and Blessings,

MAHA CHOHAN

ADDRESS BY BELOVED HILARION -- JANUARY 19, 1957

The Temple of Truth was opened on January 15th and We have since been receiving Cosmic Visitors as well as those not yet ascended. Because of Lord Gautama's tremendous search for Truth during His Earth life and His enduring interest in Truth through the ages, He offered to be Our Cosmic Guest of Honor. Wearing soft white robes, His Presence stood above the Green Flame of Truth rising upon the Altar, and the Green Flame seemed to blend with the whiteness of His robe. The Beloved Maha Chohan, wearing an Indian costume of a white satin-like texture with a matching turban fastened in front by a large emerald, took His

place at the right side of the Flame. The beautiful Pallas Athena, also resplendent in shimmering robes of white, took Her position at the left of the great Altar, pouring the radiance of Her momentum of Truth into the Flame from whence it flowed into the worlds of the entire assembly present and out into the worlds of the beloved entire student body and all evolving life upon the planet.

As these two great Beings are the Sponsors for the Earth for 1957, We feel greatly honored by Their presence with Us. Blessed Serapis will be honored by the presence of the other two Sponsors, the Elohim of Purity and Blessed Astrea, at the next Transmission Flame Class which will be held at Luxor next month.

Around the Altar, green ivy and lovely crystal flame flowers, looking somewhat like the calla lily, make a perfect adornment. The Seven Chohans (Myself included) will officiate in the actual Etheric Temple of Truth during tonight's ceremonies.

In the atmosphere above Europe, the Builders of Form have created a great amphitheatre in the form of a gigantic square outlined with columns of emerald green. This same substance has been used to provide emerald green seats for all who will be drawn toward this activity seeking Truth about some aspect of constructive endeavor. The Archangels, as usual, officiate in, through and around the amphitheatre.

Thinking back to the glorious Temple of Truth which was manifested in the physical world on the continent of Atlantis, one marvels at the capacity

of unascended individuals who, as Priests and Priestesses of the Temple of Truth over which Pallas Athena presided, brought only the mental image of that Temple with them when they began the long voyage to Greece. Then after passing from one embodiment to another, spending some time in the inner realms and returning to Earth life again, having to adjust to family and racial ways, they were still able to draw upon that mental image and re-create in Greece a Temple of Truth very much like the one in which they served with Pallas Athena in Atlantean days. After the decline of the true Grecian culture, the physical Temple of Truth also began to crumble and decay. The devotees of Truth used caves and simple huts wherein the Delphic Oracles abode. These Delphic Oracles were trained from a very early age to become natural receivers of the Word of God. Later, corruption entered the Priesthood at Delphi, and these corrupted the Oracles so that they were no longer accurate or trustworthy. Consequently, Pallas Athena, who was the Patroness of the True Oracles, could no longer use these channels to give Truth to the few who sought it.

The establishment, by the Maha Chohan, of the forcefields where specific virtues are magnetized by sincere students and radiated out to all evolutions in the Earth, on its surface and in its atmosphere, is the beginning of the re-creation of those foci of God-Virtues which will intensify and expand in Saint Germain's Golden Age. Thus have We encouraged the manifestation of certain aspects of God's Virtues at places where they were manifested in previous Golden Ages. The warning to all students is to become more humble and selfless as the magnetization of the Virtue finds action through their groups. Spiritual

pride (the error of the human personality) will only hinder the service.

Both Our Lord Maha Chohan and Pallas Athena spoke to the assembly and blessed all endeavoring to assist the Earth and its evolutions at this time.
